Technical drawing of a 3-pin connector. The drawing shows a side view of the connector with dimensions. The overall length is 12.0 mm. The diameter of the body is $\phi 12.0$. The drawing is divided into three sections labeled 1, 2, and 3. Section 1 is the body, section 2 is the center contact, and section 3 is the insulator. The drawing is also divided into three rows labeled A, B, and C. Row A is the body, row B is the center contact, and row C is the insulator. The drawing is also divided into three columns labeled Item, Materials, and Plating. The table below provides the details for each part.

Item	Materials	Plating
Body	Brass	Nickel Plated
Center contact	Be-Cu	Gold Plated
Insulator	PTFE	—
