

## 1. Description

. Part number: T2525NB

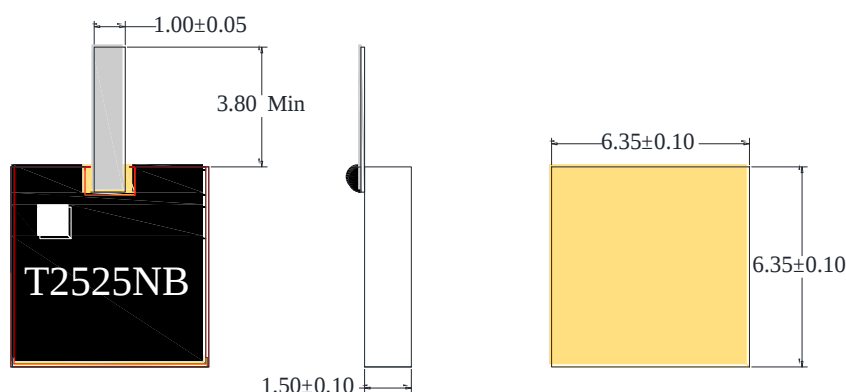

### . Features

- Surface mount type
- **RoHS** Compliance (Pb Free)
- Aluminum Nitride base
- Resistive Element : Thick Film
- Gold (Au) plating finish

## 2. Electrical Specification

| Freq.<br>(MHz) | Size<br>(mm   Inches)   | Power<br>(Watts) | VSWR<br>Max | Impedance<br>(ohms) | Temp. range<br>(°C) |
|----------------|-------------------------|------------------|-------------|---------------------|---------------------|
| D.C. ~ 3000    | 6.35×6.35   0.250×0.250 | 150              | 1.2         | 50±2%               | -55 ~ +200          |

## 3. Mechanical Specification

(Unit = mm)

## 4. P/N Designation
