Parts																								
Renber Ring																								
Gasket																								
Contact Pin																								
Insulator																								
Body																								
Coupling Nut																								
Material																								
Beryllium Copper																								
Silicon																								
Brass																								
Teflon																								
Brass																								
Brass																								
Plating (Micro-inch)																								
Tin-Zinc-Copper-Alloy 100 Over Copper 50																								
Gold 10 Over Nickel 50 Over Copper 50																								
Gold 5 Over Nickel 50 Over Copper 50																								
Gold 5 Over Nickel 50 Over Copper 50																								
Weight: 6.44 g																								

This part number complies with RoHS.
