Parts																										
Contact Pin(N)																										
Insulator																										
Contact Pin(7/16)																										
Body																										
Gasket																										
Contact Body																										
Coupling Nut(7/16)																										
Material																										
Beryllium Copper																										
Teflon																										
Brass																										
Brass																										
Silicon																										
Brass																										
Brass																										
Plating (Micro-inch)																										
Silver 150 Over Copper 50																										
Silver 150 Over Copper 50																										
Tin-Zinc-Copper-Alloy 100 Over Copper 50																										
Tin-Zinc-Copper-Alloy 100 Over Copper 50																										
Tin-Zinc-Copper-Alloy 100 Over Copper 50																										
Weight: 128.53 g																										

This part number complies with RoHS.
